## DETAILS OF WORK SUBMITTED (Maximum 3 entries per person)

Please use a label tag which must be securely attached to the rear of the artwork such that it can hang over the top to be clearly seen from the front when hung on the wall (applies to paintings/drawings/photos). Tags will be available on the art hand in desk. Write your **Artwork Reference Number (available on registration)** clearly and boldly in big dark marker pen on BOTH sides of the label tag. The tag will be hidden from view during the exhibition. Also, please write on the reverse side of your artwork or attach a sticky label to the rear of the painting which clearly shows your **Artwork Reference Number**, Name, Address and Telephone Number, along with the Title of the artwork, Medium and Sale Price (or NFS if Not For Sale). Title, Medium and Sale Price must match details you enter below.

Please keep titles as short as possible for the catalogue (space is limited).

**All entries MUST** be labelled as described above, suitably framed and ready to hang with secure fixings on the back already in place. We reserve the right to refuse entry of any picture that is not ready to hang or is not labelled as requested. This is to ensure there are minimal delays during the hand in process. We thank you for your co-operation.

## STEWARDING THE EXHIBITION

We are always a little short on volunteers to offer some stewarding of the exhibition. If you would like to help us with stewarding please speak to one of the assistants on the art hand in day. We will add your name to a free prize draw to help make it worth your while. Many thanks.
