## DETAILS OF WORK SUBMITTED (Maximum 3 entries per person)

Please use a label tag which must be securely attached to the rear of the artwork such that it can hang over the top to be clearly seen from the front when hung on the wall (applies to paintings/drawings/photos). Tags will be available at the art hand in desk. Write the **Artwork Reference Number** only (see below) clearly and **boldly in big dark marker pen on BOTH sides of the label tag**. The tag will be hidden from view during the exhibition. Also, please write on the reverse side of your artwork or attach a sticky label to the rear of the artwork which clearly shows your **Artwork Reference Number** (see below), Name, Address and Telephone Number, along with the Title of the artwork, Medium and Sale Price (or NFS if Not For Sale). Title, Medium and Sale Price must match details you enter below. Please keep titles as short as possible for the catalogue (space is limited).

**All entries MUST** be labelled as described above, suitably framed and ready to hang with secure fixings on the back already in place. We reserve the right to refuse entry of any artwork that is not ready to hang or is not labelled as requested. This is to ensure there are minimal delays during the hand in process. We thank you for your co-operation. We cannot accept liability for damage if artworks fall off the wall because of poor fixings.

**NEW FEES for wall hung work** - variable fees based on size in square inches (width x height including frame) :

Up to 400 square inches = £3    Between 401 - 1,000 square inches = £4    Over 1,000 square inches = £5  
3D work (ceramics and sculpture etc) remains at £3 each item
